

Resolution 10011401

**Recognizing the circumstances and people contributing to
the formation of the District**

WHEREAS, The whole nation has experienced an economic down turn and San Juan County Government is addressing difficult budget pressures, and has announced a withdrawal of financial support for its recreation program on Orcas Island; and

WHEREAS, Several hundreds of people have expressed a need for organized recreation on Orcas Island by petition of the San Juan County Council; and

WHEREAS, Several wise, and community minded people have been at the head of a movement to provide the service of organized, durably funded recreation to the culture of Orcas Island; Therefore be it

RESOLVED, That as of January 14, 2010, the following people, who have come to be called "the originators", shall be recognized as having distinguished themselves through hard work and perseverance in the cause of sustainable, organized recreation for Orcas Island.
